Aufgabe: Regeln vervollständigen

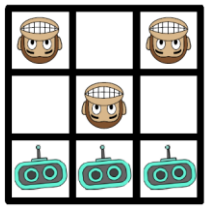

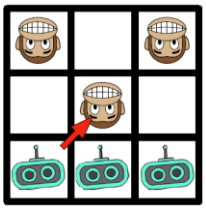

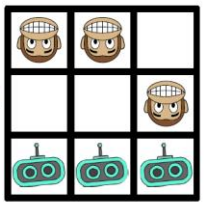

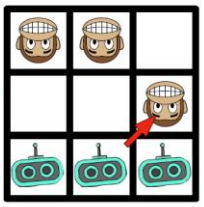

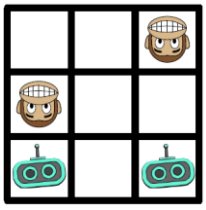

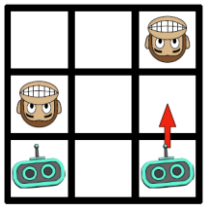

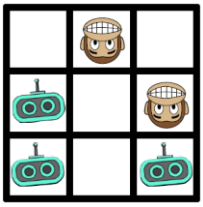

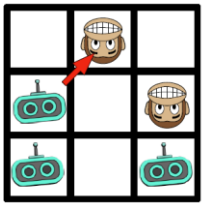

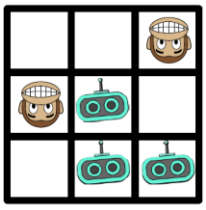

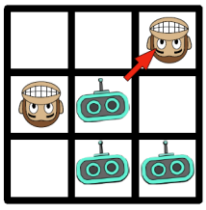

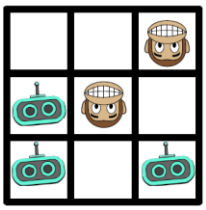

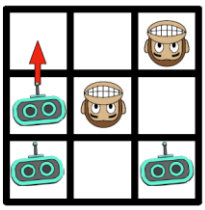

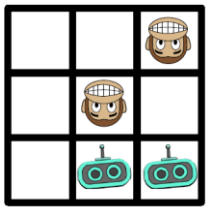

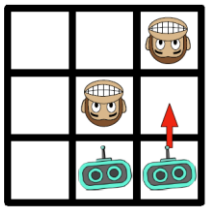

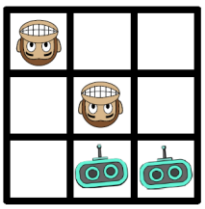

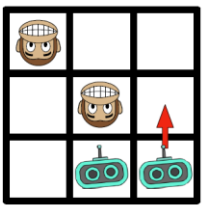

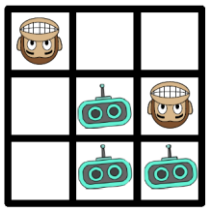

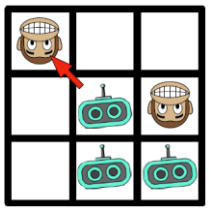

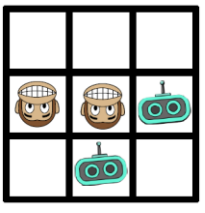

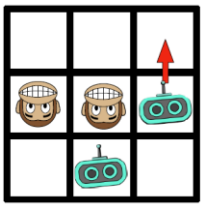

Gib dem Computer passende Regeln vor, um das Spiel zu gewinnen, indem du den „dann“-Teil der Regeln mit einem Pfeil für den geeigneten Spielzug ergänzt.
Tipp: *Es ist hilfreich mit den letzten Zügen anzufangen.*

Aufgabe: Regeln befolgen

Du bist der Computer. Suche die zur aktuellen Spielsituation passende Regel aus und befolge den „dann“-Teil, indem du deine Spielfigur entsprechend des roten Pfeils bewegst.
